

Angelo RC Inc. Presents:

38th Annual Outdoor Fly-In

Remote Control Aircraft Exhibition

October 12th (9am-5pm) & 13th (9am-3pm)

At the Angelo RC Airfield, 4682 Arden Rd, San Angelo, TX (between Mercedes & Hunters Glen roads)

This is a Free event for the Public to attend!

Angelo RC Inc. is proud to present its' 38th Aircraft Exhibition. This is a two day event that will allow for open flying of all types of aircraft. The gates to the field will be open Friday for any early arrivals. This is an AMA Sanctioned Event and a current AMA card is required to fly. There will be a \$5 landing fee each day or \$10 for the weekend. The field will be open Friday, Oct 11th to allow pilots to setup and practice.

For additional information on the event, call Jimmy Gaona, Contest Director, at (214) 641-1143 or visit our outdoor fly-in webpage at <http://www.angelorc.com/outdoor-flyin.html>

There are several nearby hotels or you may dry camp on the field (no electrical hookups). San Angelo State Park is nearby and hookups are available at the park. (<http://www.tpwd.state.tx.us/state-parks/san-angelo>).
